TEMPE LEAVES FOR THE HILLS

Bears Invade Home of the Hodags — Lukin Takes Strong Line-up to Mile High City—Double Bill Saturday and Sunday

(Special to The Republican.)
TEMPE, May 28.—On to Prescott! That's the slogan of Tempe baseballers, players, fans, boosters and all the rest. And right it should be, for tomorrow evening at precisely 5:45, the Tempe club accompanied by a number of boosters, will leave the Santa Fe station at Phoenix bound on a voyage of conquest over the Mile High city. Maybe Prescott fans are expecting to keep the long end at home, but leave it to the locals to do their duty in preserving the honor of Tempe and Salt River valley baseball.

Says manager Als of the Bears: "It is our first invasion of foreign territory and we're going to make good. The boys are more than enthusiastic about getting a short vacation and a chance to look up with a new club. For years Tempe has attempted to arrange a series of games with the Prescott club and at last we are to realize our ambition."

Aside from the ten or twelve men on the club probably a half dozen followers of the Tempe team are going to make the trip. Getting away from here tomorrow night and returning early Monday morning means but a very little time lost to anyone.

Lukin's infield will have a few men in it but they've been out enough evenings this week to get acquainted with each other and with the peculiarities of the individual on the diamond. O'Toole is slated to catch with Nettle and Ovidio each working one game. Griffen will probably play first. Johnny Meaurio is the second sacker with Cousin Kelly Meaurio at the third station. Brown, recently of the Phoenix club, will work in the short garden. Ewing, Fenn, Harris and Hanna are the probabilities for outfield duty.

Manager Lukin just this afternoon over long distance closed the last details with Manager Sheffield of the Prescott club for the trip. So the Bears are off tomorrow evening for sure.

SWIM RECORDS ARE SHATTERED

Y. M. C. A. Boys Splash Out Some New Marks in the Pool—Norman Cheney and Oakley Norton Win the Two Meets

Oakley Norton and Norman Cheney are two fine bits of boy swimmers, for they eliminated everybody in the two meets at the Y. M. C. A. yesterday. Norton won the evening contest in the seniors' class, breaking several records, and Cheney cleaned up in the afternoon competition among the younger chaps.

The events were won as follows: Length swim: Norton, first; R. Hoffman, second; time, 16 2-5 seconds.

Distance plunge: Norton, first; Al Irvine, second; distance, 36 feet 8 inches, which is a record.

One hundred-yard swim: Norton, first; George Peter, second; time not recorded, as Fitz's watch stopped.

Under-water swim: W. Young and Hedlin tied for first, with 129 feet, a record; H. Mann, third, with 85 feet.

Stone-gathering: H. Mann gathered twenty washers from the bottom of the pool in two tries.

Quarter-mile swim: Burt Dorris won alone in this long event, cutting nearly two minutes from his former record. His time was 8 minutes 12 1-2 seconds.

Boys' Meet.
One-length swim: Won by Norman Cheney; 12 3-5 seconds.

Distance plunge: Cheney, 36 feet. Two-length dash: Cheney, 36 2-5 seconds.

Stone-gathering: H. Putney, 11 washers.

Under-water swim: Willett Damson, 68 feet.

Quarter mile: Logan Dameron, 12:15.

POTTINGER INVITES

RIDERS TO A STAG

Motorcycle riders of Phoenix will be entertained Monday night by Craig Pottinger, at his home 1627 East Adams street. The affair will be an informal stag party, for just the "fellows," and will serve as a get together for the chaps who are working for the Phoenix Motorcycle club.

Mr. Pottinger is announcing his candidacy for the presidency of the club, and takes this way to make known his intention of being in the race.

TO DEDICATE NEW Y COURT

Program of Speaking, Music and Sports Will Be Held Week from Tonight on New Concrete Gymnasium Floor at the Y. M. C. A.

Dedicatory exercises for the new outdoor gymnasium of the Young Men's Christian association, were announced yesterday by the board of directors to consist of a sport program, and some speaking and music. Contractors will soon have the largest square patch of concrete in the city finished. Workmen yesterday stretched the last yard of wire netting around the courts. By Monday the courts will be entirely dry, the earth scraped off, the tennis courts relined and everything ready for play.

Greatest of all athletic fields is the outdoor gym. Combining sunshine and fresh air with the vigorous exercises, the physical director, E. G. Fitzgerald has a prescription that is good for any ill. He will work many classes out on the courts. At the present time plans are being prepared for just one other tennis court, a volleyball and hand ball court. Later, perhaps, basketball can be added. Gymnasium equipment might be installed, in case there should be need of it.

The Phoenix Y. M. C. A. will soon have a better athletic place than that of many another city much larger than this," said General Secretary Harry M. Blair yesterday. "The outdoor features are going to add immensely to the popularity of the association's gym work. With another tennis court available, much of the inconvenience of waiting will be done away with, and we can then promote some fast matches."

On Friday evening, June 5, the new court will be dedicated. Governor Hunt, Mayor Young, City Manager Farish, President Christy of the Y. M. C. A. and J. P. Orme of the Water Users, Dean Wm. Scarlett of Trinity pro-cathedral, will be the speakers. A band concert will be a feature of the program.

From five to seven there will be games on the court.

Tennis singles and doubles, handball singles and doubles, volleyball, playground ball, mat work, tumbling boys' calisthenics.

YOUNG GRAPPLER FINDS A PARTNER IN PHOENIX

Hackensmith Unearths Robert Bauer and They Hook up for Gymnastic Act—Will go on Road

To find a partner, equal to himself in the qualifications necessary to the business of the firm was the luck that Young Hackensmith, the world's foremost bantam wrestler found when he came to Phoenix and ran across Prof. Robert Bauer.

Hackensmith is an Australian by birth and a cosmopolite by inclination.

Young Hackensmith

He has been in America fourteen years and is now 25 years old. His present business is flexing, posing and gymnastics and he works vaudeville circuits.

His development is immense, and he has long sought a man with whom to match. Bauer, who is practically a Phoenician by reason of his long residence here, is a type of muscular human hard to beat. The two are of different systems of development; Bauer has the round and Hackensmith the long muscles.

They open Monday at a local play house.

that he was to be away from the good old U. S. A. until about the first of the year, but that he wanted to keep up his membership in all his clubs. He is a charter member of the Phoenix club. It was an article in The Republican, detailing the defeat of Blisbee by the locals in a telegraph match, which jogged the wanderer's memory. He added congratulations.

"I was very fortunate in finding the two one-dollar bills at a money broker's," he writes. "We don't often come across this sort of currency in Buenos Aires."
